

İrem Aydın

Volunteer Research Assistant

İzmir University of Economics
Department of Psychology
İzmir, Türkiye
irem.aydin@ieu.edu.tr

I am a Psychology graduate who's currently pursuing a master's degree in experimental psychology. I have always been curious about exploring complexities of human mind and its evolutionary bases. Therefore, to gain more experience in this field, while doing my M.Sc. at Izmir University of Economics, I have been volunteering as a research assistant in SMART Lab since 2024 September.
