I am pursuing my master's with the firm intent to make meaningful contributions to our understanding of behavior and the mind while maintaining the excitement and curiosity that marked my initial steps. My research interest lies in numerical cognition, and currently, in alignment with this goal, I am immersed in exploring and examining the processing of magnitudes.

Education and Training

B.Sc. (Psychology)	Yasar University	2018-2023
Exchange student	Sevilla University	2022-2023 (Fall)

Academic Appointments

Teaching & Research Assistant	İzmir University of Economics	2023 -
	<i>Department of Psychology</i>	

Teaching Experience (Teaching Assistant)

Izmir University of Economics

Quantitative Methods in Psychology I	2023-2024 Fall 2024-2025 Fall
Quantitative Methods in Psychology II	2023-2024 Spring
Independent Study	2023-2024 Spring
Psychological Measurement	2024-2025 Fall
Research Methods in Psychology I	2024-2025 Fall
