

## Duru Başak Özbek

B.Sc. Student

İzmir University of Economics  
Department of Psychology  
İzmir, Türkiye

[durubasakozbekuni@gmail.com](mailto:durubasakozbekuni@gmail.com)

*I am a second year psychology student at Izmir University of Economics. I've been volunteering as a research assistant in the Smartlab since April 2025. I am grateful for the opportunity to work with this incredible group of researchers and eager to learn everything I can along them. Currently I am gaining priceless experience in experimental psychology, and I am motivated to pursue a higher degree in the following years*

### Education and Training

B.Sc. (Psychology)	İzmir University of Economics	2024 –
